PARKING REMINDER FOR OPENING DAY

Parking tips for SYC members and guests during Opening Day Week: **~ Violators will be towed ~**

- Please keep in mind that many members and guests will be visiting our Club during the week prior to Opening Day.
- The Parking and Security Committee requests that everyone carpool for Opening Day events as parking is limited.

 Only one car per family will be allowed.

- Guests on Dock Zero are advised that parking may not be available.
- Starting with Men's Lunch on Thursday, the well-attended Friday Lunch, then Opening Day on Saturday, you may have to use alternate parking any of these days.
- Please respect the fire lanes, handicap parking and reserved spots – ***do not park in those areas***.
- Also, carry any valuables with you and do not leave them in your car.
- As usual, any cars left in the upper parking lot Opening Day morning will be towed.

Wishing you a fun-filled Opening Day week from the Parking and Security Committee.

Alternate Opening Day Parking
