- 1.3 Other changes to the rules may be noted elsewhere in the Notice of Race or Sailing Instructions. If the Notice of Race and Sailing Instructions are in conflict, the Sailing Instructions shall have precedence.
- 1.4 Prior to the publication of the Sailing Instructions, changes to the Notice of Race will be available from the Seattle Yacht Club web site at www.seattleyachtclub.org or, if not available from the web site, on the notice board at the Seattle Yacht Club south entrance. After the publication of the Sailing Instructions, changes to the Notice of Race will be available on the official notice board described in the Sailing Instructions.

2 ELIGIBILITY AND ENTRY

- 2.1 Classes to race are PHRF Northwest handicap and one-design keelboats of at least 24 feet. Monohull, multihull, and cruiser/racer boats will race in separate classes. Other classes may race at the discretion of the organizing authority.
- 2.2 Only boats that qualify based on their performance in selected races in the prior year and are invited, at the discretion of the organizing authority, will be eligible to register. Boats may also qualify at the discretion of the organizing authority. The events listed below under "Qualifying Events" are qualifiers in racing classes with at least four boats registered.
- 2.3 A whole one-design class may qualify if several boats of the class have qualified and can register a number of boats suitable for a one design class start. For more information, please contact the regatta organizers listed below.
- 2.4 A cruiser/racer class will be open to boats that competed in the cruiser/racer class of any SYC race.
- 2.5 If your boat has qualified but you have not received an invitation, please contact regatta organizers listed below.

- 2.6 Competitors must register online at the Seattle Yacht Club web site at www.seattleyachtclub.org, or by form delivered to Seattle Yacht Club, and pay appropriate fees by the registration deadline. Registration after the deadline may be accepted at the discretion of the organizing authority and may require an additional late fee.
- 2.7 A boat wishing to use sails with identification different from her own must notify and receive permission to do so from the organizing authority by the registration deadline or when her late registration is accepted. This changes RRS 77.
- 2.8 A boat racing in a handicap class must ensure that her correct rating is issued and recorded by the class organization by the registration deadline or when her late registration is accepted. Boats participating without a valid class certificate will not be entered or scored and her entry fee may not be refunded.
- 2.9 A change in a boat's handicap class rating will take effect on the day it is recorded by the class organization. Changes are not retroactive. When a boat's rating changes between races that are part of a series, the boat shall remain in the same class in which she started the series.
- 2.10 A boat rated by her handicap class in consideration of water ballast may use water ballast as rated. This changes RRS 51.

5.2 Multiple races may be sailed each day. The Race Committee will have discretion to select buoy and mid-distance courses based on anticipated conditions. The course designations will be described in the Sailing Instructions.
